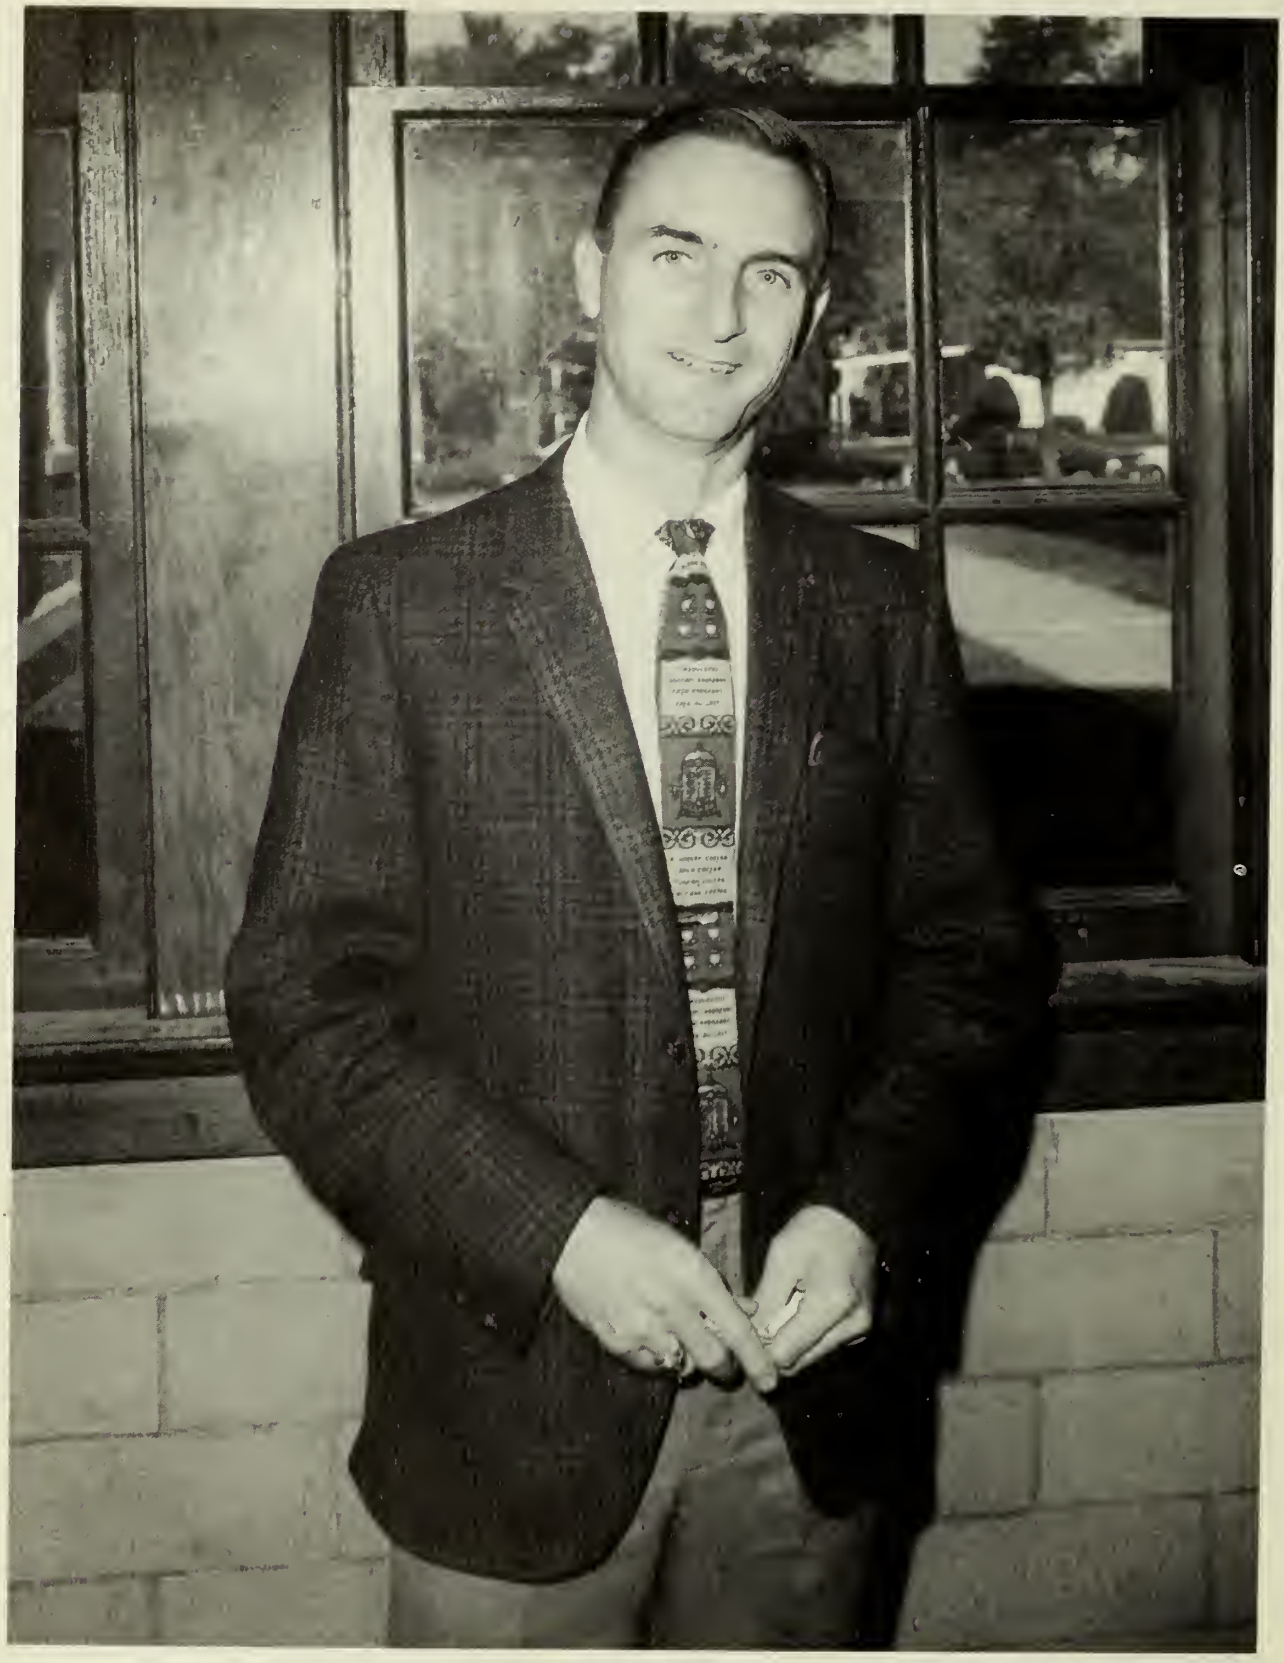
## Turners Falls High School

Class of 1968



MR. WILLIAM E. ROBERTS

As we look back upon our four years at Turners Falls High School, we will remember our disappointments, joys, and achievements. But above all we will remember our friends and the people who guided us to the path of maturity and success.

Among these is one man who stands stable and certain, who will always remain close to our hearts. He has taught us the meaning of freedom and the importance of a government which exists for the people. His guiding hand led us in the direction of citizenship. As a trusted friend he respected our ideas, and we respect him.

His expounding spirit was clearly exemplified as he attended almost every sporting event. His soft laughter and warm heart have left us with unforgetable memories.

Thus, it is with gratitude and admiration that we, the Class of '68, dedicate our yearbook to you, Mr. Roberts.

MR. WILLIAM A. COOK

The memory of the day when we hailed him chief will linger in our hearts. Before long he knew us by name and had become a friend who guided us with a firm but helping hand.

When we were Juniors he was called from us to accept a higher office. His happy grin and spirited walk no longer brightened our halls, but the memory of a true friend remained a part of us. Although he was no longer among us very often, the knowledge that he was still our leader gave us an inner feeling of security. We will always gratefully remember you for your friendly guidance, Mr. Cook.

MR. RAY E. FRANKLIN

As we began our Senior year there was a new man in the principal's office. Throughout the year he provided us with guidance while he himself became familiar with the customs and traditions of TFHS.

He listened patiently to our problems and offered advice as he helped us through our final year. He has supported and aided our efforts and activities. We thank you, Mr. Franklin.

**MRS. CHARLOTTE Z. POTTER**

Deep in our hearts, imbedded among the precious memories, is an image of a teacher who has molded and shaped our class. She has stood firm and has offered advice when confusion distorted our sight; she has supported our efforts and future plans with complete understanding and constant observation.

Now, as we look back over the past four years, we realize the true significance of her guidance—the solemn strength which she possessed.

Therefore, it is with this newly obtained strength that we acknowledge your efforts. We will always be grateful to you, Mrs. Potter.

# Class History

## Try To Remember . . .

We climbed the worn stairs to our homerooms on the third floor. "Freshmen." We looked for new friends; we wanted to belong, to be a part of Turners Falls High School. We were initiated into the social world as the upperclassmen welcomed us at the Freshman Reception.

Eager to show our class spirit, a few of our classmates formulated a motto which we won't forget: '68 is Great! Proudly, we carried this motto to our first Thanksgiving rally.

As the months passed, we begin to mingle with the upperclassmen. We prepared to cast off our title of "Freshmen."

## When You Were A Gay And Callow Fellow . . .

We returned as upperclassmen; we gained new confidence. "Sophomores." The man who had first guided us, Mr. George F. Wrightson, had resigned the previous spring. We now looked toward a new leader, a new friend—Mr. William Cook.

We, too, became new leaders. We stepped toward unity with the election of our class officers: Dennis Richotte, President; Richard Dobosz, Vice-President; Debra Campbell, Secretary; Anne Gamelin, Treasurer; Carol Novak, Historian.

We were caught up in the excitement of the Turkey Day game. "Desire" was the word ——our boys desired victory. We cheered ourselves hoarse as our team smashed through the "green wall" for a 28–14 win. After fifteen years of waiting, victory was ours!

We began our first class project—the Sophomore Social. With candy canes and paper reindeer, we disguised the gym as a "Christmas Wonderland." Our successful evening was completed by the triumphant escape of Santa Claus from the evil plots of the master spy Coldfinger.

As our second year ended, we elected several classmates to represent us on the first Student Council. Another year behind us—we remembered, but we looked to the future.

## When Dreams Were Kept Beneath Your Pillow . . .

Eager to resume our former activities and anxious to meet new challenges, we once again entered the halls of T.F.H.S. "Juniors." This year was one of change for us. Our enviable 1 o'clock dismissal time was changed to 2:30; a nutritious bag lunch program was introduced. Prune whip and raisin salad were "tops" on everybody's list.

Early in the year we elected our class officers: Dennis Richotte, President; Richard Sojka, Vice-President; Sharon McCarthy, Secretary; Patricia Ouellette, Treasurer; Joanne Long, Historian. Their job was to lead us in this year of challenge and change.

Under the direction of the Student Council, plans for the first Booster Day were formulated. Pamela Karpinski was chosen Junior Princess and represented the Class of '68 throughout the festivities. Booster Day helped heighten school spirit as we once again faced the "Greenies" and looked toward another victory. Spirits and voices swelled as Turners smudged Greenfield in a tense game, with a final score of 18–12.

Enthusiastically, we faced our next challenge—the theater and Junior Prize Speaking. We were nervous for our eight classmates who, after weeks of rehearsing, enacted their chosen scenes for the expectant audience.

Our year was almost over, almost a memory. But it could not end for us until our Prom was also a thing of the past. After hours of making flowers, choosing programs, and pacifying Miss O'Brien, we transformed the gym into a colorful "Spring Fantasy." For many of us, the spring evening continued until dawn, as we celebrated at a lively post-Prom party.

Three years had drifted behind us—we held those memories while we looked to what would follow.

## The Fire Of September That Made Us Mellow . . .

No longer inexperienced, untried, and unsure, we assumed the position as school leaders. "Seniors." Once again our class lost a friend and advisor—Principal Cook was chosen to replace Mr. Arthur Burke, who was retiring after many years as Superintendent of Schools. Mr. Ray Franklin became the third pincipal to guide our class during our four years.

Getting into the swing of the year, we elected our permanent class officers: Karen Hoynoski, President; Richard Sojka, Vice-President; Anne Maddern, Secretary; Patricia Ouellette, Treasurer; Jacquelyn Boyden, Historian.

Autumn passed quickly. We published the Netop and organized our Yearbook staff. It was our turn to welcome the freshmen at the Freshman Reception. We proudly watched six of our classmates show their scholastic abilities as they competed on the program "As Schools Match Wits." For the Booster Day we elected Karyl Perry to reign as our Senior Queen. We constructed a huge blue and gold pyramid as our float in the parade. Amidst a flurry of napkins, paint cans, and chicken wire, we showed the spirit of '68.

For the last time, we turned our talents to the theater—our Senior Play. Black-clad villains, white-hatted heroes, and melodramatic heroines romped and fainted as we presented "Gold In The Hills." As the curtain fell after the last performance, we acquired another memory for the future.

The weeks passed. Reluctantly we gave our leadership responsibilities to the juniors. When we "try to remember" these days, our recollections will be those of achievement, disappointment, a bit of sadness, and a lot of fun. One day we will stop to remember, but now we look toward the future, toward what we follow when we walk out of this school and into tomorrow.

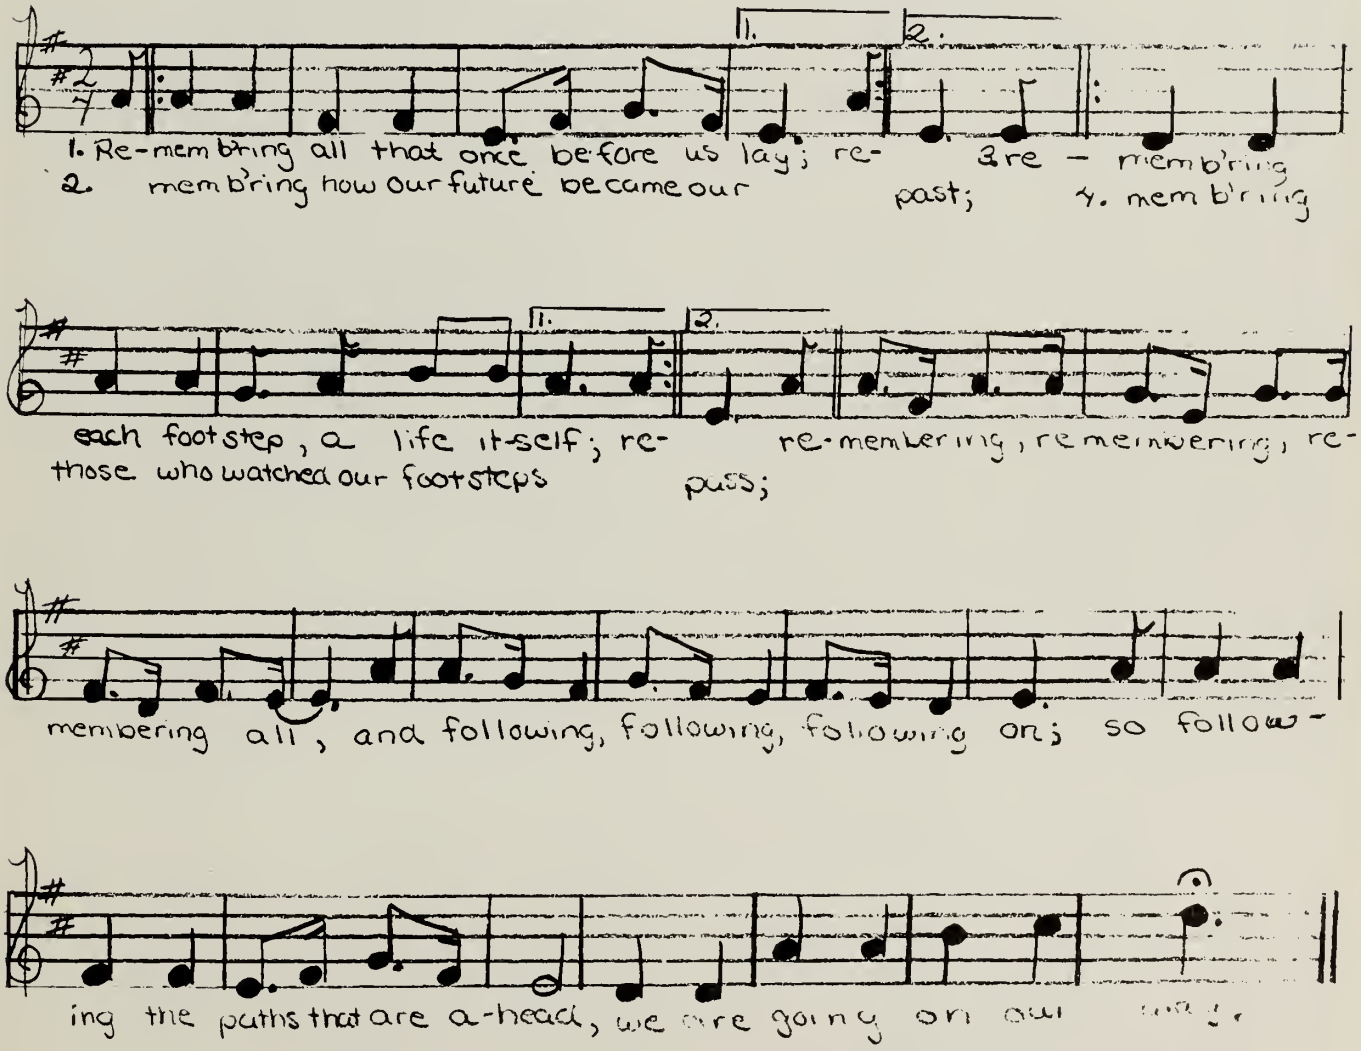
# Class Song

music by Prudy Clark words by Carol Gates



# Ivy Poem

Beneath the tangled vines
Of childhood,
  Of maturity,
    Of somewhere-in-between
Lie the high school years,
  The scattered tears,
    Of ambitions won and lost:
A laugh,
A love,
A holding hands,
The soft, sweet whisper of someday dreams;
A school,
A class,
A lasting friend,
The sighed, sad mist of fond forevers:
Encompassed now with ivy.
